

# Eco-Friendly Lodging

Eco-friendly lodging options are available on the North and South Forks of Long Island. The AgroCouncil believes it is important to consider every aspect of a planned vacation and the effect it has on the environment. By choosing to stay at an eco-friendly property, you can help reduce waste, energy use, and any negative impacts it may have on the local environment.

## Greenport

### 1. Greenporter Hotel

The Greenporter Hotel is a 3-star, privately owned boutique hotel located in the heart of the North Fork's wine country, in Greenport, Long Island. It is located at the entrance of [The Village of Greenport](#) and is a short walk from village docks, boutiques, restaurants, and galleries in downtown historic Greenport. The hotel is a ten-minute drive from the Cross Sound Ferry in Orient if you are coming across the Long Island Sound from New England, and minutes away from Shelter Island, as well as the [Long Island Railroad](#) and the [Hampton Jitney](#).
